La Sombra de la Noche (All Souls Trilogy)

Deborah Harkness

La Sombra de la Noche (All Souls Trilogy) Deborah Harkness

Book Two of the All Souls Trilogy plunges Diana and Matthew into Elizabethan London, a world of spies and subterfuge, and a coterie of Matthew's old friends, the mysterious School of Night. The mission is to locate a witch to tutor Diana and to find traces of Ashmole 782, but as the net of Matthew's past tightens around them they embark on a very different journey, one that takes them into heart of the 1,500 year old vampire's shadowed history and secrets. For Matthew Clairmont, time travel is no simple matter; nor is Diana's search for the key to understanding her legacy. Shadow of Night brings us a rich and splendid tapestry of alchemy, magic, and history, taking us through the loop of time to deliver a deepening love story, a tale of blood, passion, and the knotted strands of the past.
