Biographie de l'auteur

Tharpa Publications is a part of the International Temples Project. The ITP was founded by Venerable Geshe Kelsang Gyatso with the aim to introduce the Buddhist faith and practice of the New Kadampa Tradition publicly, and to exemplify contemporary Buddhist practice through public service. It achieves this through building traditional and non-traditional Temples, meditation centres and retreat centres, and through the activities of Kadampa Schools, World Peace Cafés and Tharpa Publications. Tharpa's profits from the sale of this book are designated to the NKT-IKBU International Temples Project Fund according to the guidelines in: A Money Handbook A Buddhist Charity, Building for World Peace [Registered Charity number 1015054 (England)].
